

Whether you're an exporter to Russia or domestic importer, a business with sites around the globe, whether your consignments arrive by air or sea, by truck or rail, we can offer tailored services to meet your clearance and forwarding needs. Our clearance services include:

1. **Clearance assistance.**

- We register your customer in Russia at the customs post;
- We do all the paperwork including filling in of Cargo Customs Declaration;
- Declaration of goods may be effected either on behalf of the Russian importer or on behalf of the authorized customs broker.

2. **Foreign trade outsourcing via our own Russian importer.**

- We give the final DDP price calculation for you in advance;
- We buy abroad, deliver to Russia, clear and sell to the Russian customer for Russian rubles.

3. **Transaction based on the agent`s agreement via our own Russian agent.**

- We give the final DDP price calculation (with fixed agent`s commission) for you in advance;
- Acting on our behalf but at your expense and fixed commission plus giving the detailed reports for all the heads of expenditure we buy abroad, deliver to Russia, clear and transfer the goods to the Russian customer;
- Our company works directly with different customs brokers and certification authorities from Moscow to Vladivostok;
- We are the perfect company if you are looking for the reliable Russian partner with local market knowledge plus giving professional freight forwarding services.
